Website – www.alanbarrell.com

Alan Barrell can speak with great seriousness and authority through lectures and formal presentations or with humour and a lighter touch at luncheons, dinners or receptions.

His subject areas include:

- The World Economy and Geopolitics
- Creativity, Innovation, Entrepreneurship and Enterprise
- Transformational Education and Student Leadership
- History of Medicine, Future of Medicine and Medicine Technology
- Healthcare – Policy and Practice, The UK National Health Service, Health Reforms in China
- Reflections on China – general talks on Chinese History, Culture and Development
- China and Tomorrow World – the Phenomenon of Modern China Within the World Economy
- Climate Change and the development of “Eco Cities” and “Smart Cities”
- History of Jazz and the Birth of Jazz in New Orleans
- Entrepreneurial Finance and Funding Early Stage Businesses

Alan Barrell can illustrate talks with visual material, music and at times,

pecially written rhyming contributions (can be customized and amusing).

Material showing examples of presentations, a photo-set and long and short speaker profiles is available . There are regularly updated for all those joining our mailing list.
