

## TONIGHT !

A short celebration in verse delivered at Corpus Christi  
College on the IGNITE 2009 Gala Dinner

Tonight...Tonight....is a Great and Glorious Night,

Tonight we celebrate New Stars!.....

Tonight....Tonight, our feeling is DELIGHT –

We dream we touch the moon – go to Mars....

Tonight....Tonight – we thank this week's IGNITE –

We leave with its flame burning in our hearts,

Tonight....Tonight, its *Farewell* – not *Goodbye* tis no end,  
But a great New Start !

Tonight....Tonight, we pledge as friends – to stay in touch,  
and plan to LIGHT ANOTHER DAY !
