Call for Abstracts

"Contemporary Views of Business: Partnering for the future" (Combi2010) is an important forum for knowledge co-creation and intellectual exchange emphasising partnering and international knowledge transfer as sources of competitive edge. In Combi2010, you are reserved plenty of time for lively dialogue, responsive thought transference and ideation. Combi2010 joins the great minds of academics, business leaders and other professionals from both private and public sectors to share and co-create knowledge on business-related topics. Furthermore, Combi2010 actively seeks to promote synergies between business and academia. As a result of attending this international conference, new business solutions and activities are expected to arise among the participants."

ONLINE submission opens at www.combi2010.fi on

4 January 2010 and closes on 31 March 2010

The submitted abstracts are not subject to a peer review but will be selected for presenting in the Conference by the Organising Committee decision solely.

Guidelines for Presenters

Please submit an abstract of 1500 - 5000 characters describing the content of your proposed presentation. The track descriptions are available at www.combi2010.fi. Combi2010 offers oral presentation opportunities and a poster session also for the work-in-progress.

No full-length manuscript is needed in order to attend the abstract sessions as a presenter. Otherwise conducted as a competitive paper presentation session or any regular poster session but in this case, work-in-progress presentations are prioritised in the selection process. *All the work-in-progress presenters will be appointed a discussant upon request* responsible for giving feedback and suggestions on how to proceed with the work-in-progress in order to reach the set goals.

Upon acceptance, at least one author is obligated to register for the Conference and at least one author must appear at the Conference to present the abstract either as an oral presentation or as a poster. The camera-ready posters must be submitted by the end of June 2010. The abstracts will be published as Research Notes in the Conference Proceedings. They are not eligible to be published as full-length papers at a later stage in Combi2010 Proceedings as they will not undergo the international referee process.
